Romanian — Mother tongue

English — B2 (listening, reading, spoken), B1 (writing)

ABOUT ME

Motivated and responsible person with good communication and teamwork skills, currently building a career in the field of Information Technology. I am adaptable, eager to learn and capable of working seriously toward my goals. I enjoy working with people, solving problems and continuously improving both my technical and personal skills. I am especially interested in web applications and practical digital products that solve real problems.

EDUCATION AND TRAINING

01/09/2022 – 26/05/2026 Chisinau, Moldova

Bachelor studies in Information Technology — Technical University of Moldova

Web application development, frontend and backend fundamentals, database design and management, software engineering principles, object-oriented programming, API development, relational databases, practical development of full-stack applications.

Level in EQF: EQF level 6

01/11/2023 – 30/04/2024 Chisinau, Moldova

English language course (B2 level) — ILTC

Development of English language skills at B2 level, including speaking, listening, reading and writing for everyday and academic communication.

01/09/2019 – 30/06/2022 Chisinau, Moldova
